

Quick Biz Startup Package

Starting a new business can feel **overwhelming**. It helps to have a **team of trusted people** who want you to succeed and who will listen to you and help you create your dream. Take the first steps **without risking** a lot of time and money. As your business grows, you can quickly adapt your services and add automated tools that will help you **keep your profits** and **stay in control of your workload**. Spend your time on what matters most: **talking with customers, growing your business, and reaching your goals**.

My trusted partner

When I was looking for help with my Website, I found Simplimation and finally got the support I needed. Tyson **took the time** to find out what I wanted for my business. He explained my options in **plain English** and **didn't pressure me** to do anything. I was so impressed that I wanted all my clients to get the same thing for their businesses. Together, we created a package to help you launch your business fast.

Quick Biz Startup Package

An affordable set of the **essential things** to help you **confidently start talking to people** and **quickly develop your business**. Get everything in **less than 2 weeks**.

- ✓ **Discovery phone call:** We run you through a list of questions to quickly clarify your goals, identify your target audience, and get the info we need to get started. Takes less than 30 minutes.
- ✓ **Visual branding:** We create a simple, original logo design and color scheme. Includes 1 royalty-free stock photo. We give you the files to use in all your marketing materials for a consistent business identity.
- ✓ **Website:** We create a mobile-friendly page with all the the essential content and sales tools you need to gather leads or to test a product. Update the content yourself. Free hosting for 1 year (regular \$10/month).
- ✓ **Business cards:** We create a professional, 2-sided, full-color design, print 100 quality cards, and ship them directly to you. We give you the files so you can order more at any time.
- ✓ **Email list:** We set up an email marketing account, create a simple template, and add a signup form to your Website. Then you can start building your target audience and regularly communicate with them.

Get it all now for **\$699** or **\$69/month** for 1 year at
